

COSEC CENTRA: FACE Enrollment using COSEC Devices

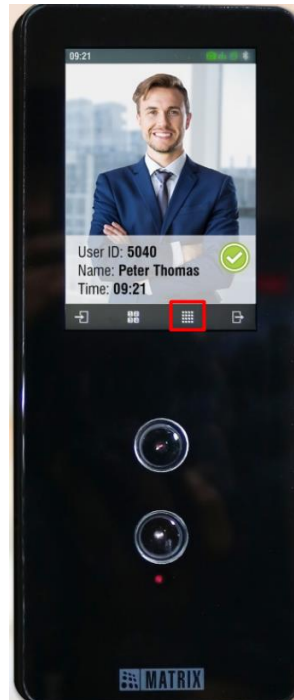

3rd January 2023

Document Version: V1R1

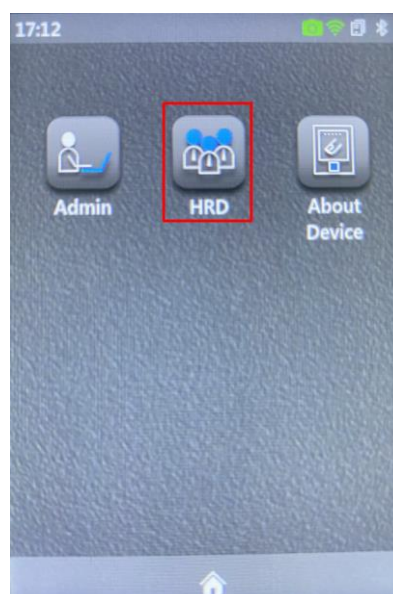

User Enrollment collects and stores user's personal and professional information with identification credentials such as RFID Cards, Smart Cards, Special Cards & face, etc.

In this document, we will explain how to enroll FACE in COSEC CENTRA software.

- Go to the COSEC ARGO FACE device.
- Tap **MENU**

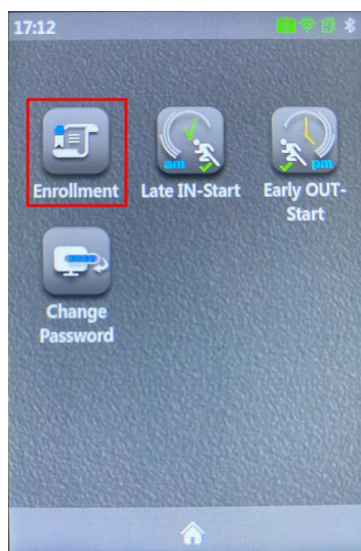

- Select **HRD** from the option.

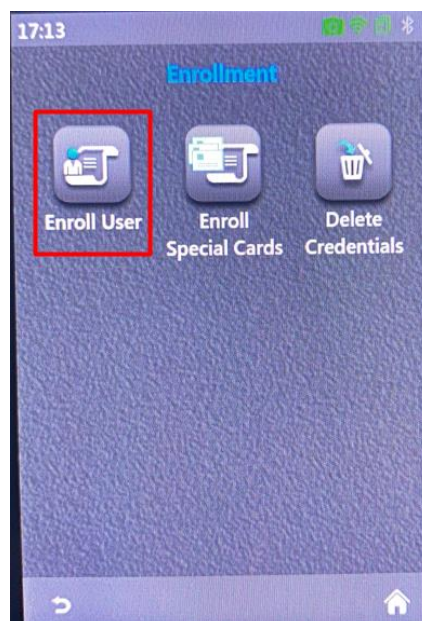

- Choose the new **Password**.

- Select the **Enrollment** option.

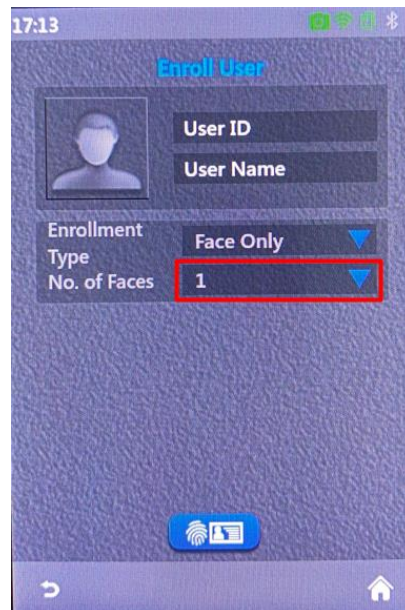

- Select **User** from the options available.

- Enter the **Select the no. of Face template as 5.**

•

The screenshot shows the 'Enroll User' screen with a blue header. Below the header, there is a user profile section with a placeholder image, 'User ID', and 'User Name' fields. The 'Enrollment Type' is set to 'Face Only'. The 'No. of Faces' dropdown menu is open, showing the number '1' selected. A red rectangle highlights the 'No. of Faces' dropdown menu.

- Enter the User ID & Enter.

The screenshot shows the 'Enroll User' screen with a blue header. Below the header, there is a user profile section with a placeholder image, 'User ID', and 'User Name' fields. The 'Enrollment Type' is set to 'Face Only'. The 'No. of Faces' dropdown menu is open, showing the number '1' selected. A red rectangle highlights the 'User ID' field and the 'Enter' button (a blue button with a fingerprint icon).

- Show the User Face in front of the Camera.
- You will get a message **“Enrollment Success!”**.
